Rules Relating to Notices for Private Bills.

51. All applications for Private Bills, properly the subjects of legislation by the Parliament of Canada, within the purview of "The British North America Act, 1867," whether for the erection of a Bridge, the making of a Railroad, Turnpike Road or Telegraph Line; the construction or improvement of a Harbour, Canal, Lock, Dam or Slide, or other like work; the granting the right of Ferry; the incorporation of any particular Trade or Calling, or of any Banking or other Joint Stock Company; or otherwise for the granting to any individual or individuals, any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which, in its operation, would affect the rights or property of other parties, or relate to any particular class of the community; or for making any amendment of a like nature to any former Act, shall require a Notice, clearly and distinctly specifying the nature and object of the application, and (except in the case of existing corporations) signed by, or on behalf of the applicants, to be published as follows, viz:

In the Provinces of Quebec and Manitoba.

A notice inserted in the *Canada Gazette*, in the English and French languages, and in one newspaper in the English, and in one in the French language in the District affected, or in both languages in one paper, if there be but one in the said District, or if there be no paper published therein, then, in both languages, in a paper in the nearest District, in which a newspaper is published.

In any other Province.

A notice inserted in the *Canada Gazette*, and in one newspaper published in the County, or Union of Counties affected, or if there be no paper published therein, then in a newspaper in the nearest County in which a newspaper is published. Such notices to be continued in each case, for a period of two months during the interval of time between the close of the next preceding Session and the consideration of the Petition. And copies of the newspapers containing the first and last insertion of such notice shall be sent to the Clerk of each House.

When a Petition is for leave to bring in a Private Bill for the erection of a Toll Bridge, the petitioner or petitioners, upon giving the notice prescribed by the preceding Rule, shall also, at the same time, and in the same manner, give notice of the rates which they intend to ask; the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and whether they intend to erect a drawbridge, and the dimensions of the same.

Any person seeking to obtain any Private Bill shall, eight days before the meeting of Parliament, deposit with the Clerk of the House, in which the bill is to originate, a copy of such bill in the English or French language, with a sum sufficient to pay for translating and printing the same—600 copies to be printed in English, and 200 copies in French—the translation to be done by the officers of the House, and the printing by the contractor. The applicant shall be also required to pay the Clerk of the Senate, or the Accountant of the House of Commons (as the case may be) a sum of \$200 and the cost of printing the Act in the Statutes, and lodge the receipt of the same with the Clerk of the Committee to which such Bill is referred—such payment to be made immediately after the second reading, and before the consideration of the Bill by such Committee.

The fee payable on any Private Bill is paid only in the House in which it originates.

No petition for a Private Bill is received by either House after the first ten days of the Session.

EDOUARD J. LANGEVIN,
Clerk of the Senate.

JOHN GEORGE BOURINOT,
Clerk of the Commons.

And further, with respect to the House of Commons, it is ordered, under Resolution of 20th April, 1883, that—

"All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the *General Acts* relating to the details to be provided for by such Bills;—special grounds shall be established for any proposed departure from this

principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof, in which the *General Act* is proposed to be departed from;—Bills which are not framed in accordance with this *Rule* shall be re-cast by the promoters, and reprinted at their expense, before any Committee passes upon the *Clauses*."

J. G. BOURINOT,
Clerk of Commons.

Rules of the Senate relating to Notices for Bills of Divorce.

72. Every applicant for a Bill of Divorce is required to give notice of his intention so to do, and to specify from whom and for what cause, by advertisements, during six months, in the *Canada Gazette*, and in two newspapers published in the District, in Quebec and Manitoba, or in the County, or Union of Counties in the other Provinces where such applicant usually resided at the time of the separation, or if the requisite number of papers cannot be found therein, then in the adjoining District, or County, or Union of Counties.

The notice for the Provinces of Quebec and Manitoba is to be published in the English and French languages.

73. A copy of the notice, in writing, is to be served at the instance of the applicant, upon the person from whom the divorce is sought, if the residence of such person can be ascertained; and proof on declaration, under the Act passed in the thirty-seventh year of Her Majesty's reign, intituled "An Act for the suppression of voluntary and extra Judicial Oaths," of such service, or of the attempts made to effect it, to the satisfaction of the Senate, is to be adduced before the Senate on the reading of the petition.

BY-LAW No. 12.

WHEREAS it is expedient and desirable to raise by loan, on the credit of the Municipality of the City of Vancouver, the sum of \$14,100, payable on the fifteenth day of November, A.D. 1906, with interest at the rate of six per centum per annum, payable half-yearly, to be applied to the permanent improvements of the City of Vancouver, hereinafter mentioned, that is to say:—

(a) For the construction of seven water tanks, erected and to be erected, for fire protection in said city; for the apparatus necessary to equip a hook and ladder company; and for the purchasing and erection of street lamps within said city, five thousand (\$5,000) dollars.

(b) For the erection of a city hall, civic offices, a lock-up, and the necessary equipment and furniture for same, (\$2,500) twenty-five hundred dollars.

(c) For the erection of a fire hall and engine house, one thousand (\$1,000) dollars.

(d) For the opening up and making of streets, and construction of sidewalks, twenty-six hundred (\$2,600) dollars.

(e) For purchasing certain lands for the Province of British Columbia, in lieu of lot number two (2), in block two (2), in the official survey of the town of Granville, to be transferred by said Province of British Columbia to the Corporation of the City of Vancouver, when said Corporation shall have provided lands for said Province elsewhere within said City, to be approved of by the Government of said Province, two thousand (\$2,000) dollars.

(f) For the laying out, and improvement, of a cemetery for the City of Vancouver, one thousand (\$1,000) dollars.

And whereas the sum of thirteen hundred and twenty four (\$1,324) dollars will have to be raised annually as a special rate for paying the interest, and creating a sinking fund for paying the said loan, at the days and times when the same become payable by this By-Law.

And whereas the total debt of said City of Vancouver is at present \$4,500, incurred in making local improvements on Water Street in said City, and which debt is secured by a special rate imposed upon the property immediately benefitted by said improvements, and upon that security only.

And whereas the amount of the whole rateable property of the City of Vancouver is \$2,639,877, according to the last revised assessment rolls of the City, and whereas to raise the said yearly sum of thirteen hundred and twenty-four (\$1,324) dollars the annual special rate upon the said rateable property will require to be one-half ($\frac{1}{2}$) a mill in the dollar.

Therefore, the Mayor and Aldermen of the City of Vancouver, in Council assembled, enact as follows:—

1. It shall be lawful for the Mayor of the said City to raise, by way of loan, from any person or persons, body or bodies corporate, who may be willing to advance the same upon the credit of the debentures hereinafter mentioned, a sum of money not exceeding in the whole the sum of \$14,100, and cause the same to be paid into the hands of the Treasurer of said City for the purposes, and with the objects, hereinbefore recited.

2. It shall be lawful for the said Mayor to cause any number of debentures to be made, each for such sum of money, not less than one hundred dollars, as may be required, and all such debentures shall be sealed with the seal of the Corporation of the City of Vancouver, signed by the said Mayor, and countersigned by the Treasurer of said City.

3. The said debentures shall be made payable in twenty years from the day hereinafter mentioned for this By-Law to take effect, at the office of the City Treasurer of the City of Vancouver.

4. The said debentures shall have coupons attached for the payment of interest at the rate of six per centum per annum on the amount of said debentures, payable half-yearly, on the fifteenth day of May and November in each and every year, at the office of said City Treasurer.

5. For the purpose of forming a sinking fund for the payment of the principal of said debentures, and interest to become due thereon, an equal special rate of one-half ($\frac{1}{2}$) a mill in the dollar shall, in addition to all other rates, be raised, levied and collected in each year upon all the rateable property in said City, during the continuance of said debentures.

6. It shall be lawful for the said Corporation, from time to time, to re-purchase any of the said debentures, at such price or prices, as shall be mutually agreed upon, and all debentures so re-purchased shall be

forthwith cancelled, and no re-issue of debentures, or any debenture, shall be made in consequence of such re-purchase.

This By-Law shall, before the final passing thereof, receive the assent of the electors of the said Corporation, in the manner provided by the "Vancouver Incorporation Act, 1886," and shall take effect on the fifteenth day of November, 1886.

Received the assent of the electors on the third day of November, A.D. 1886.

Done and passed in open Council on the 8th day of November, A.D. 1886.

4. That each of said debentures shall be for a sum not less than one hundred dollars, and shall be payable in ten years from the first day of October, A.D. 1886.

5. That for the purpose of forming a sinking fund for the payment of said debentures and the interest to become due thereon, an equal special rate of four-tenths ($\frac{4}{10}$) of one mill in the dollar shall, in addition to all other rates, be raised, levied, and collected in each year upon all the rateable property in the said city, during the continuance of said debentures or any of them.

6. That this by-law shall take effect on the fifteenth day of November, A.D. 1886, and shall before the final passing thereof receive the assent of the electors of the said City of Vancouver, in the manner prescribed by the "Vancouver Incorporation Act, 1886."

BY-LAW NO. 17.

To enable the Corporation of the City of Vancouver to raise the Sum of Sixty-Three Hundred Dollars for the Purpose herein set forth.

WHEREAS two-thirds of the owners of real property on that portion of Cordova Street between Carroll Street and Homer Street, in the City of Vancouver, representing one-half in value of said property, have petitioned this Council to make certain improvements, in said petition set forth, in that portion of Cordova Street above mentioned, and to provide funds for such improvements, to be repaid by a special rate to be levied on the real property immediately benefitted by said improvements, such special rate to be sufficient to include the interest on said funds so provided, and a sinking fund for their repayment in ten (10) years from the date of the debentures hereinafter mentioned.

And whereas, in accordance with the prayer of said petition, enquiries have been made to ascertain what real property will be immediately benefitted by said improvements, and the proportions in which the assessments to defray the costs thereof are to be made on the various portions of the real property to be so benefitted.

And whereas said property to be so benefitted has been ascertained and determined to be lots numbers 8, 9, 10, 11, 12, 13, 14, and 15, in Block 2, in the official survey of the town plot of Granville; lots numbers 1, 2, 3, 4, 5, 6, 7, and 8, in Block 3, in said survey; lots numbers 1, 2, 3, 4, 5, 6, 7, and 8, in Block 4, in said survey; and lots numbers 9, 10, 11, 12, 13, 14, 15, and 16, in Block 5, in said survey; lots numbers 14, 15, 16, 17, and 18, in Block 10, subdivision of lot 541; and lots numbers 1, 2, 3, 4, 5, 6, 7, 8, 9, and 10, in Block 11, in said lot 541.

And whereas the total amount of the debt which this By-Law is intended to create is sixty-three hundred (6,300) dollars, and the total amount required to be raised annually, for ten (10) years, is ten hundred and two dollars and fourteen cents (\$1,002.14), and the value of the whole real property rateable under this By-Law, as ascertained and finally determined as aforesaid, is one hundred and twenty thousand dollars (\$120,000) without improvements, and the annual rate per foot frontage for paying interest and creating a yearly sinking fund for the payment of the principal of the debt is, as set forth in the third section hereof.

And whereas the debt hereby created is made on the security of the special rate settled by this By-Law, and on that security only.

Be it therefore enacted, by the Mayor and Council of the Corporation of Vancouver, as follows:—

1. It shall be lawful for the Corporation of the City of Vancouver to raise, or cause to be raised, by way of loan, from any person or persons, body or bodies corporate, who may be willing to advance the same upon the credit of debentures hereinafter mentioned, a sum of money not exceeding in the whole sixty-three hundred dollars (\$6,300), and cause the same to be paid into the hands of the Treasurer of the City for the above recited object.

2. That it shall be lawful for the Mayor of the said City to cause sixty-three (63), or any lesser number of debentures, to be issued for the purpose of raising said sum of money, each such debenture to be for at least one hundred dollars (\$100), and the said debentures shall be sealed with the seal of the City, and be signed by the Mayor, and countersigned by the Treasurer, and bear interest at the rate of eight per centum per annum from their date, payable yearly on the first day of November, at the Bank of British Columbia, in the City of Vancouver, and shall have coupons attached to them for the payment of such interest, and shall be payable at the Bank of British Columbia, in the City of Vancouver, in ten years from the date of same.

3. That for the purpose of forming a sinking fund for the re-payment of said debentures, and interest at the rate aforesaid to become due thereon, a special rate shall be annually levied upon the property to be immediately benefitted by the improvements above recited, as shown in the following schedule:—
